Never Underestimate The Power of Packaging

Embellishment can form part of the product's imagery, reinforce a brand name, give on the shelf stand out and ultimately add value and profitability.

We produce numerous styles of beautiful hand tied bow styles. All our bows are bespoke, so whether you need just a bow or you want it made onto a pre-formed loop, with a strap, with elastics or with sticky pads we will design a finished trim that works perfectly on your product.

We work closely with brands to develop products to enhance their identity. The bow can be developed to your brief ensuring your product really stands out from the rest.

What is the minimum order quantity?

The minimum order quantity is 5,000 pieces.

Please note this is based on a standard satin or grosgrain ribbon. For bespoke ribbons the MOQ may be higher. We would advise the MOQ upon receipt of your enquiry.

What are the lead times?

We would produce a sample for approval before proceeding with bulk production. The lead time for a sample is approx. 2-3 weeks. The lead time for bulk production is approx. 4-6 weeks via air freight & approx. 12-14 weeks via sea freight. Please note these are approx. lead times based on the MOQ & our capacity can vary throughout the year. For higher quantities & during peak production the lead times will be longer. Please contact us and we can provide a current lead time on an enquiry by enquiry basis.

Prices

Because each bow is developed to suit your individual requirements we do not have set price lists for our bows. Each enquiry will be quoted individually.
